CENTRA

This partnership will provide Hampden-Sydney College pre-health students the opportunity to explore many different careers in medicine. Selected students will shadow physicians in the following departments:

- Family Medicine
- General Surgery
- Cardiovascular Group
- Emergency Department
- ICU
- Gastrointestinal
- OB
- Radiology
- Pharmacy

Students submit an application, essays, and two letters of reference, to be reviewed by a committee. For further selection, contact Dr. Kristian Hargadon, Clinical Program Coordinator, khargadon@hsc.edu.
