

**Draft Parameters to Consider**  
**CAMPUS PLAN GOALS**

4 April 2012

**Mission & Innovation**

The Hampden-Sydney campus will support and advance the mission of the College.

- Critical Questions:
- Does this option support Hampden-Sydney's mission?  
If so, how?
  - Does it offer a particular enhancement over other options?  
If so, what and how?

[Consider: functions, zoning, opportunities, etc.]

**Community & Coalescence**

The Hampden-Sydney campus will support the College as a community and be a place that expresses the idea of coming together for reasoned discourse, historically and architecturally.

- Critical Questions:
- Does this option improve opportunities for people to come together either formally or socially?
  - Would the proposed function be conveniently located?
  - Would it benefit more or fewer people? What populations?

[Consider: location, access, adjacencies, etc.]

**Heritage & Sense of Place**

The Hampden-Sydney campus will symbolize the College, a men's college.

- Critical Questions:
- Is this option in keeping with the historic, geographic, landscape, and architectural context of the campus?  
If so, or not, how?

[Consider: siting, scale, servicing, etc.]

**Sustainability & Viability**

The Hampden-Sydney campus will be linked to the real world and integrated with the global community.

- Critical Questions:
- Does this option offer any advantage in terms of sustainability? If so, what?
  - Is this option an effective use/reuse of an existing resource?
  - Would this option be more cost effective than others in terms of initial investment?
  - Would this option require significant investments either for construction or for long-term maintenance?

[Consider: orientation, embedded carbon, dollars, etc.]
