## Nationally Competitive Scholarships

**Boren Fellowship and Scholarship:** Summer, semester, and year-long study in regions critical to U.S. national security. Requires 1-year commitment to federal government.

**Churchill Scholarship:** One year of graduate study in STEM at Cambridge University.

**DAAD Scholarships:** Semester and yearlong internships/research/study in all fields in Germany. Deadlines vary. Some require college endorsement.

**Fulbright Grant:** Cultural exchange funded by U.S. State Department. One year post-graduate fellowship for research, study, or teaching English abroad.

**Fulbright UK Summer Institutes:** Three, four, or five week academic and cultural summer programs for freshmen and sophomores.

**Gates-Cambridge Scholarship:** Post-graduate study at Cambridge University in all fields. Applicants must show evidence of commitment to improving the lives of others.

**Gilman Scholarship:** Funding for study abroad to non-traditional areas for students receiving Pell Grants.

**Goldwater Scholarship:** \$7500 for up to 2 years of undergraduate study in STEM.

**JKCooke Graduate Arts Award:** \$50,000/year for up to 3 years of graduate study for students and recent graduates with exceptional artistic/creative promise and exceptional financial need.

**Lilly Fellowship:** Supports students entering Ph.D. programs (or equivalent) in humanities and the arts and who are interested in becoming teacher-scholars at church-related universities in the U.S.

**Luce Scholars Program:** Professional apprenticeships in all fields in the Far East under the guidance of leading Asians in the interest of improving American understanding of Asia.

**Marshall:** Funding for graduate study in the UK in all fields. Scholars are intellectually very strong and have significant leadership potential. Application requires four strong letters of recommendation.

**Mitchell:** One year post-graduate study in Ireland in all fields. Three selection criteria: scholarship, leadership, and sustained commitment to service and community.

**NSF (National Science Foundation) Graduate Research Fellowship:** \$30,000/year for up to 3 years of research-based study leading to a MS or PhD in STEM and Social Sciences. Deadlines vary by discipline.

**Pickering Graduate and Undergraduate Fellowships:** International relations and foreign policy. Women, minorities underrepresented in the Foreign Service, and students with financial need are encouraged to apply.

**Rhodes Scholarship:** Graduate study at Oxford in all fields. Applicants should demonstrate leadership and the will to “fight the world’s fight”, and should have 5-8 very strong letters of recommendation.

**Truman:** \$30,000 for graduate or professional school for juniors who are committed to making a difference through public service. Selection based on academic promise, service potential, and leadership.

**Udall Scholarship:** \$5,000 to sophomores and juniors with the commitment and potential to make significant contributions to the fields of the environment, tribal health, or tribal governance.
