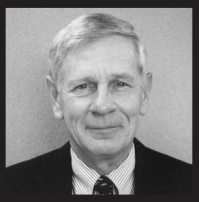
A MESSAGE FROM COACH JOE BUSH



The Athletic Department at Hampden-Sydney College is greatful for your consideration of participation in the Hole in One Club. Money raised will supplement the annual golf budget in a manner that will maintain our prominence in Division III.

We ask that your donation not be seen as an alternative to your annual fund gift, wich supports general College needs. All donations to the Hole-in-One Club go directly to the Hampden-Sydney golf program.

Once the Poplar Hill facility is complete, our golf team will enjoy a first class 18-hole championship golf course only three miles from campus. The new golf course will greatly enchance our golf recruitment capabilities.

Thank you so much for your loyalty and support.

Go Tigers!

Joe Bush,
Head Golf Coach
