

A MESSAGE FROM COACH RAY ROSTAN

I would like to thank all of our alumni, parents and friends who have demonstrated their loyalty, generosity and love for Hampden-Sydney College and our student athletes during the 21 years that I have served as Lacrosse Coach.

Our Lacrosse program has developed a very strong reputation in only three decades. The newly formed Face-Off club will have a direct and very positive impact upon our student athletes and our staff's recruiting efforts.

The incredible growth of high school lacrosse - from approximately 800 programs in 1999 to 2400 programs in 2005 - offers Hampden-Sydney College the opportunity to attract many of the highest caliber student-athletes nationally. Our Face-Off Club will greatly enhance our ability to recruit, even as it helps provide our students with the highest quality facilities and equipment.

We ask that your donation not be seen as an alternative to your Annual Fund gift, which supports general College needs. All donations to the Face-Off Club go directly to the Hampden-Sydney lacrosse program.

I thank you in advance for your continued support as we work diligently toward our goal of winning a national title. Go Tigers!
