ARTICLE II
TRUSTEE MEMBERSHIP

1. The Board shall consist of no fewer than 20 and no more than 40 members, exclusive of the Chair and President of the College, who shall be members ex officio and shall have, unless otherwise provided herein, the right to vote on all questions and shall be counted as part of quorum determinations. From time to time, the Board shall determine the number of its members.

2. Each Trustee shall serve a term of four years. A Trustee completing any four-year term may be elected by the Board to serve another term pursuant to Section 4 of this Article. A Trustee elected to fill the unexpired term of another Trustee will be eligible for election to a full four-year term immediately upon the conclusion of the partial term.

3. A Trustee may be removed from office in the event a majority of the remaining Trustees find adequate cause, in their best judgment, which could include, without limitation, excessive absences from Trustee meetings, unsatisfactory
performance of assigned duties, unremedied conflicts of interest, or other behavior deemed by the Trustees not to be in the best interests of the College; provided, however, any Trustee’s removal shall be voted on at a meeting called for that purpose and on notice of that purpose and only after an evaluation of the issue by the Board that is fair to both the College and the affected Trustee.

4. The Board Affairs Committee shall recommend candidates for election or reelection to the Board through procedures adopted by the Board. So help me God.”

ARTICLE III
TRUSTEES EMERITI

1. Upon recommendation of the Board Affairs Committee, Trustees who have served with distinction for at least four terms may be elected by the majority of Trustees as Trustees Emeriti. The total number of Trustees Emeriti should not exceed one-third of the total number of regular, voting Trustees. These Trustees shall be eligible to serve on Board committees, and they shall speak freely at all Board and committee meetings. They shall not serve on the Executive Committee, Board Affairs Committee or Audit Committee. They shall not have voting privileges at Committee or Board meetings or be counted as part of quorum determinations, nor shall they be present at executive sessions of the Board. Trustees Emeriti shall be sent notices and minutes of all Board meetings and be encouraged to attend Board meetings or otherwise accept special assignments that are helpful to the Board and the College. Trustees Emeriti are subject to removal as outlined in Article II, Section 3.

The Secretary shall perform other duties as prescribed from time to time by the Board and may be assisted in all duties by a staff member designated by the President.

He or she shall ensure that all Trustees regularly receive appropriate and comprehensible financial statements from the College’s administration that include comparisons of revenues and expenditures with the approved annual budget and the preceding fiscal year for the same time periods. The Treasurer shall ensure that other financial reports—including those for special or major Board-approved expenditures, College investments, and annual or special audits—are provided to all Trustees in a timely manner for review and discussion as appropriate. He or she consults with the College’s chief financial officer, Board-approved auditor, and the Finance and Facilities and Audit Committees of the Board as appropriate or necessary.

ARTICLE VIII
TERM, AUTHORITY AND RESPONSIBILITIES OF THE PRESIDENT

The President has the authority to execute all documents on behalf of the College and the Board consistent with Board policies and in the best interest of the College.

3. The President, upon the recommendation of the Provost/Dean of the Faculty, may fill all vacancies occurring in the Faculty between meetings of the Trustees. Such appointments shall be considered temporary and shall be so accepted. For permanent appointments, the President shall make recommendations to the Trustees or their properly constituted committee. In either case, the final decision rests with the Trustees.

4. With a right to vote on all questions, the President shall be Chair of the Faculty and an ex-officio member of all Board committees except the Audit Committee. The President shall have the right to address any regular meeting of a Faculty committee.

5. The President shall be the official medium of communication between Faculty and Trustees, and between students and Trustees. Should the President refuse to transmit recommendations or requests from Faculty as a whole, or from a member or members of the Faculty, or from students, an appeal may be made to the Chair for permission to present such requests or recommendations directly to the Trustees.

6. The President shall preside at the public exercises of the College, shall announce and confer degrees authorized by the Trustees, and, unless some other person shall be officially designated, shall be the official representative of the College on all public occasions, whether at the College or other places where the College is invited to be personally represented.

The Provost/Dean of the Faculty shall be appointed by the President, subject to Board approval, and report to the President. The Provost/Dean of the Faculty shall be the second ranking officer of the College. In the absence of the President, or in the event of the President’s death, disability or incapacity, and unless otherwise determined by the Board, the Provost/Dean of the Faculty shall continue to perform the duties of the President until such time as a successor is appointed, or the Board determines that the President is capable of resuming the duties of office; provided, however, nothing herein shall limit the power of the Board to appoint an interim President pending the appointment of a successor.

2. The vice presidents shall serve for such terms and have such authority and responsibilities as the President shall determine in consultation with the Board.

ARTICLE X
MEETINGS

1. All meetings of the Trustees, regular and special, shall be held within or without the Commonwealth of Virginia. Three regular meetings of the Trustees shall be held each year, ordinarily one in October, one in February, and one during the weekend of graduation. The Chair, with the approval of the President, may designate the place of the meetings, which shall be stated by the Secretary in the notice of the meetings.

2. Special meetings shall be held when called by the Chair, or in case of the Chair’s death, resignation, or refusal to act, by five voting member Trustees or by a majority of the Faculty when they see cause to do so. Ten days’ notice shall be given by the Secretary stating the time and place of such meeting(s) and shall provide a clear statement of the business to be considered. Business at such special meeting(s) shall be confined to the stated purpose of the meeting(s).

3. A quorum for the transaction of business at meetings of the Board or any committee designated by the Board shall consist of a majority of their respective regular, voting member Trustees. Except as otherwise provided in these bylaws or the charter, a majority vote of those voting member Trustees present with a proper quorum shall constitute proper action. Notwithstanding the foregoing, members of the Board or any committee designated by the Board may participate in a meeting of the Board or any committee by conference telephone call, video conference, webinar or any other means of communication by which all persons participating may simultaneously hear each other during the meeting, and such participation in a meeting shall constitute presence
in person at the meeting.

4. All voting shall be *viva voce*, unless another method is requested. If requested by any Trustee on any question, the ayes and noes shall be recorded. The protest of any Trustee, if stated in writing at the same meeting, shall be recorded. Decisions shall be made by a majority vote of the voting member Trustees present. Voting by proxy is not permitted.

5. Subject to the requirements of law, the Board may hold any regular or special meeting, or any part thereof, in executive session with participation limited to voting member Trustees. Other individuals may be invited to attend all or portions of any executive session as deemed necessary by the Chair.

**ARTICLE XI**
**ACTION WITHOUT FORMAL MEETING**

1. Any action required or permitted to be taken by the Board or by any committee thereof may be taken without a formal meeting if each voting member Trustee of the Board or of such committee, as the case may be, consents thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board or such committee. These meetings of the Board or any committee thereof may be conducted by conference telephone call, video conference, webinar, or any other means of communication by which all persons participating may simultaneously hear each other during the meeting, and such participation in a meeting shall constitute presence in person at the meeting.

**ARTICLE XII**
**COMMITTEES**

1. The Board shall establish such standing and ad-hoc committees as it deems appropriate to the discharge of its responsibilities. Each such committee shall have a written statement of purpose and primary responsibilities as approved by the Board, and such rules of procedure or policy guidelines as it or the Board, as appropriate, approves. Each committee shall review such statements for their appropriateness and adequacy annually.

2. All committee chairs, vice chairs, and a majority of each committee's members shall be voting member Trustees. Each committee shall have an officer of the College or member of the administrative staff, as designated by the President, to assist it with its work. Each committee shall meet at least three times annually and report regularly on its work and recommendations to the Board. All committees shall be required to keep the minutes of all meetings and shall decide how they should be distributed to the Trustees.
3. The Trustees will undertake to serve the College in various capacities, including, but not limited to, serving on standing and ad-hoc committees of the Board. In serving the College as a chair, vice-chair, other officer, or member of either a standing or ad-hoc committee of the Board, each Trustee shall be fully indemnified as provided for in Article XIII, herein.

The Executive Committee

1. The Executive Committee shall have at least nine members and not more than 17, all of whom shall be voting member Trustees, except for the President, who shall be ex-officio without vote and not be counted as part of a quorum for the purpose of transacting business. The Chair, Vice-Chair, Secretary, and Treasurer of the Board shall be members, along with the chairs of all Board standing committees. In addition, two trustees may be nominated by the Board Affairs Committee and elected by the Board to serve at-large on the Executive Committee.

2. The purpose of the Executive Committee is threefold: (i) it shall serve at the pleasure of the Board as its agent in helping the President to address nonessential business between regular Board meetings; (ii) it shall assist the Chair and the President with their joint responsibility to help the Board function effectively and efficiently by suggesting Board meeting agenda items and periodically assessing the quality of committee work; and (iii) it shall hear and decide all student appeals of suspension or expulsion. The Executive Committee shall have authority to act for the Board on all matters except for the following, which shall be reserved for the Board: presidential selection and termination; Trustee and Board-officer election; changes in institutional mission and purposes; changes to the charter; incurring of corporate indebtedness; sale of College assets or tangible property; adoption of the annual budget; and conferral of degrees. These bylaws or other Board policies may reserve other powers for the Board.

3. In addition to its authority to take action on emergency matters that cannot or should not be deferred to the Board's next scheduled meeting, the Executive Committee shall oversee the work of Board committees, the College's planning process and progress on planning goals, the Board's responsibility to support the President and assess the President's performance, and review annually the President's compensation and terms of employment.

4. The Executive Committee shall meet as often as is necessary to conduct its business as the Chair and President determine and ensure that minutes are taken and promptly distributed to all Trustees for subsequent ratification by the Board at its next regular meeting.

Board Affairs Committee
1. The Board Affairs Committee shall have at least seven members and not more than 11, all of whom shall be voting member Trustees. The committee’s chair, vice chair, and members shall be appointed for renewable one year terms by the Chair.

2. The purpose of the Board Affairs Committee is threefold: (i) it shall ensure that the Board’s membership and leadership consist of highly qualified and committed individuals; (ii) it shall ensure that regular programs of new Trustee and inservice education are maintained; and (iii) it shall periodically recommend initiatives by which the Board shall assess its performance. The Board Affairs Committee serves as the Board’s agent in reviewing the performance of incumbent Trustees and Board officers who are eligible for re-election, maintains a list of qualified candidates for possible nomination, considers cultivation strategies for promising Trustee candidates, and proposes and periodically reviews the adequacy of a statement of Trustee responsibilities as adopted by the Board. It shall establish its own rules of procedure in consultation with the Chair, President, and the Board.

3. The Board Affairs Committee shall meet as often as is necessary to conduct its business, but no fewer than three times annually. It shall seek the assistance of all Trustees in the course of meeting its responsibilities in accordance with these bylaws and its own rules of procedure, as adopted by the Board.

Audit Committee

1. The Audit Committee shall have at least five members and not more than nine, all of whom shall be voting member Trustees. The Chair and Vice-Chair shall be members. Except as allowed by an affirmative vote of the Board Affairs Committee, no Trustee who has disclosed a conflict as required by the Conflict of Interest policy shall serve on the Audit Committee.

2. The purpose of the Audit Committee is to oversee the College’s financial practices and standards of conduct. The committee is responsible for overseeing and monitoring (i) the external financial audit, (ii) compliance with legal and regulatory requirements, (iii) internal controls and risk-management systems, and (iv) the Conflict of Interest policy. The committee shall have authority, through its chair or majority vote of its members, to ask management to address specific issues within the mandate of the committee as well as the authority to engage independent legal counsel and other professional advisers to carry out its duties. The Audit Committee chair shall not be a member of the Finance and Facilities Committee.

3. The Audit Committee shall meet as often as is necessary to conduct its business, but no fewer than three times annually.

ARTICLE XIII

10
INDEMNIFICATION

1. To the fullest extent permissible under the Virginia Nonstock Corporation Act, as amended from time to time, Trustees and officers of the College shall not be liable to the College for any monetary damages.

2. The College shall indemnify any person (an "Indemnified Person") who is or was a party to any proceeding by reason of the fact that he or she is or was a Trustee or officer of the College or is or was serving at the request of the College as a Trustee, officer, employee or agent of another corporation, partnership, joint venture, trust, limited liability company, employee benefit plan or other enterprise against all liabilities and expenses incurred in the proceeding, except such liabilities and expenses as are incurred because of his or her willful misconduct or knowing violation of the criminal law. Unless a determination has been made that indemnification is not permissible, the College shall make advances and reimbursements for expenses incurred by an Indemnified Person in a proceeding upon receipt of an undertaking from him or her to repay the same if it is ultimately determined that he or she is not entitled to indemnification. Such undertaking shall be an unlimited, unsecured general obligation of the Indemnified Person and shall be accepted without reference to his or her ability to make repayment. The Board is hereby empowered, by majority vote of a quorum of disinterested Trustees, to contract in advance to indemnify and advance the expenses of any Indemnified Person.

3. The Board is hereby empowered, by majority vote of a quorum of disinterested voting member Trustees, to cause the College to indemnify or contract in advance to indemnify any person not specified in Section 2 of this Article who was or is a party to any proceeding, by reason of the fact that he or she is or was an employee or agent of the College, or is or was serving at the request of the College as a Trustee, officer, employee or agent of another corporation, partnership, joint venture, limited liability company, trust, employee benefit plan or other enterprise, to the same extent as if such person was specified as one to whom indemnification is granted in Section 2 above.

4. No amendment, modification or repeal of this Article XIII shall diminish the rights provided hereby or diminish the right to indemnification with respect to any claim, issue or matter in any other pending or subsequent proceeding that is based in any material respect on any alleged action or failure to act prior to such amendment, modification or repeal.

5. Reference herein to Trustees, officers, employees or agents shall include former Trustees, officers, employees and agents and their respective heirs, executors and administrators.

ARTICLE XIV

11
CONFLICT OF INTEREST

1. A Trustee may have a conflict of interest if he or she or a member of his or her immediate family owns or has a substantial direct or indirect investment in a firm with which the College has or is likely to have a business relationship. Investments in nominal amounts of the stocks or bonds of a large publicly held company are not intended to be restricted. The question of whether an investment becomes so substantial as to possibly affect or appear to affect an individual's judgment is, however, largely dependent on the particular circumstances. Conflicts may also arise where a Trustee or a member of his or her immediate family, or his or her business partner holds a position as director, officer, or employee with a firm with which the College has or is likely to have a business relationship. For the purposes of this provision, a family member is defined as a spouse, partner, parent, sibling, child, step-child or any other relative residing in the same household as the Trustee.

2. Each Trustee shall complete and sign a disclosure form provided annually by the Secretary of the Board. All Trustees shall comply with the rules and procedures set forth in the annual disclosure. All Trustees shall disclose to the Board any possible conflict of interest at the earliest practical time pursuant to the rules and procedures of the annual disclosure then in place.

ARTICLE XV
THE FACULTY
ROLE, RESPONSIBILITIES, AND ORGANIZATION

1. The Faculty of the College shall consist of the President of the College, the Provost/Dean of the Faculty, the officers of the administration who hold faculty rank, librarians with special faculty status, and the teaching personnel as defined by the Faculty Handbook.

2. All members of the Faculty ultimately shall be responsible to the President.

3. The Faculty shall govern its affairs according to the Faculty Handbook. In the Faculty Handbook, it shall make such rules for its organization and conduct of business as it may deem best, not inconsistent with the charter and these bylaws.

4. Subject to the approval of the Trustees, or their committees, the Faculty (i) shall have responsibility for the content, quality, and effectiveness of the curriculum, as well as requirements for entrance to and graduation from the College, (ii) shall have responsibility for the academic quality of any course work or credit recorded on the institution's transcript, (iii) shall, through the President, recommend to the Board of Trustees those students upon whom it desires to confer degrees, and (iv) shall, in
consultation with the President and Provost/Dean of the Faculty, develop such policies that protect academic freedom and contribute to the best possible environment for the Faculty to teach, pursue their scholarship, and participate in the College community.

5. The Faculty shall have jurisdiction over all matters of discipline that may result in a student's separation from the College, such separation being subject to final determination on appeal to the Executive Committee of the Trustees.

ARTICLE XVI
MISCELLANEOUS

1. The charter and these bylaws shall be a part of the contracts of the employment of all officers, members of the Faculty, and other employees.

2. The scholastic year shall not be less than 36 weeks.

3. The corporate seal shall consist of two concentric circles with the words, "Collegii Hampden-Sydney in Virginia Sigillum," between and such seal impressed on the margin hereof is adopted as the corporate seal of this Corporation.

ARTICLE XVII
AMENDING THE BYLAWS

1. These bylaws may be changed or amended at any meeting of the Trustees by a two-thirds vote of those voting members present, provided notice of the substance of the proposed amendment is sent to all Trustees at least 30 days before the meeting.

2. The Secretary of the Board and the Executive Committee shall review these bylaws periodically. The Secretary and the Executive Committee shall recommend any necessary changes to the Board.
