Step 3. Housing Registration

Housing Registration and Housing Questionnaire

Student housing questionnaires will be sent out electronically to students on April 16, 2019. This communication will include instructions for completing housing registration online.

Notification of housing will begin in June.

Questions about housing registration or the housing questionnaire can be directed to Mr. John Hollemon, jhollemon@hsc.edu, (434) 223-7154.

Living and Learning Communities

During the online housing registration process, you will be given the opportunity to opt into the College’s Living and Learning Program.

In Living and Learning Communities, groups of 9–12 freshmen share a freshman academic advisor, are enrolled together in a class, and live together on the same residence hall. These themed communities bring students together for a shared academic and co-curricular experience that improves the quality of classroom time and arms freshmen with the personal connections and self-advocacy skills essential to a successful and fulfilling college experience.

A complete list of available communities for 2019–2020 is available on the facing page.

Communities for 2019–2020 will be filled on a first-come, first-served basis with a deadline in mid-May 2019.

Questions about the Living and Learning Program can be directed to Dr. James Frusetta, jfrusetta@hsc.edu, (434) 223-7206.

Vehicle Registration

Vehicle registration is available immediately. The online form is located under the “Student” tab in the “For Deposited Students” section in Tiger Web.

After you complete the online form, a parking sticker will be assigned to you. The sticker will be issued to you either at summer orientation or at matriculation check-in on August 22.

Step 4. Academic Interest Survey

You will be assigned an academic advisor in mid-May and will receive a letter of introduction from your advisor in early June. Your academic advisor will assist you with your transition to H-SC academics and its policies and procedures.

The members of the Office of Academic Success will be working with your assigned advisor to develop a first semester course schedule for you. To assist in this process, you should complete the online Academic Interest Survey no later than May 17, 2019.

The Academic Interest Survey is located in Tiger Web under the “For Deposited Students” section of the “Student” tab. This survey is designed to give you the opportunity to expand upon your academic interests and goals.

In addition, if you have taken International Baccalaureate (IB), Advanced Placement (AP), or dual enrollment (DE) courses while enrolled in high school, please request your final official scores/transcripts be sent from the institution (IB scores must be received from IBO.org, AP scores from CollegeBoard.org, and DE final official transcripts from the college or community college through which you were registered). Those should be addressed to the Registrar at Hampden-Sydney College, P. O. Box 668, Hampden-Sydney, VA 23943.

When credit is awarded, you will be able to view it in Tiger Web:

- Log in to Tiger Web.
- Select the “Student” tab.
- Select “My Unofficial Transcript” from the left-side list.

Finally, you may have received classroom accommodations due to attentional issues or a learning disability while in high school. Classroom accommodations may be appropriate for you to properly access course materials and assessments. Please contact our Disability Services Coordinator at (434) 223-6324 to learn where to send your confidential documentation to ensure your accommodations are in place for the start of the fall term.

Questions regarding academic advising should be directed to Ms. Lisa Burns, lburns@hsc.edu, (434) 223-6188.
Step 5. Establish Your H-SC Email Account

A Hampden-Sydney email address will be issued to you by June 1, 2019.

To retrieve your username and password:

• Log in to your Tiger Web account.
• Select Documents & Forms from the navigation bar.
• On the navigation bar on the left, select “Computing Center Forms.”
• Under “Email Login Retrieval”, enter the last 4 digits of your SSN and your home zip code. Next click the “Get Login Info” button.
• Your email address and password information will be displayed in a pop-up window.

You can then log in to your H-SC email account by clicking the “Email” link on the “Current Student” portal page of the H-SC website at hsc.edu/current-students

Summer Orientation: If you sign up for Summer Orientation, you will be asked to provide a headshot for your H-SC Photo ID, which you will then receive during the orientation. You will also have the opportunity to stop by the J.B. Fuqua Computing Center to get assistance setting up your H-SC email account on your mobile device, and to discuss the services we provide on campus. Note: If you do not sign up for Summer Orientation, a headshot request will be sent to you in August and your ID will be given to you during matriculation.

Other Campus Computing Resources/Notes

Printers
Public printers are available in various labs and other locations on campus. If you do bring a printer for your room, please note that wireless printers do not work well with the campus Wi-Fi system, and can cause wireless interference. Please use a USB connection.

Microsoft Office Suite
You do not need to purchase Microsoft Office. H-SC students can install the Microsoft Office Suite on up to five devices. Installation instructions are listed on our Computing Center website.

Wireless
Wireless is available throughout campus in all academic buildings and student housing. All student rooms also include a wired Ethernet jack for each student. Please do not install a router in your room, as it causes major interference with our WiFi.

Please visit our page on the H-SC website: hsc.edu/computing-center for information on how to install the Microsoft Office Suite, how to setup your email on your mobile device, and what computer specs we recommend. This page also includes links to shop for new computers (Dell and Apple) at education-discounted prices.
Step 6. Financial Aid and Billing

Check Your Financial Aid Status:

To ensure that all financial aid is credited to your account prior to the first fall semester billing, please check for any missing documents by **June 15**.

- Log in to Tiger Web.
- Go to the “Financial Aid” tab.
- Select “View Financial Aid Document Tracking.”
- Submit any missing documents to the Financial Aid Office.

Tuition and Fee Payment

Once registered for housing and classes, you will be billed for tuition, fees, room and board. You will access billing through CASHNet via TigerWeb. (We do not send bills by postal service.)

Payment is due **August 1** for Fall and **January 1** for Spring.

Tuition and fees may be covered by certain types of aid from outside agencies which will be invoiced after classes start. Under special circumstances, outside agencies providing tuition assistance may be billed at later dates. If you do not qualify for these types of aid, you must pay tuition and fees not covered by financial aid by the due date.
How to Pay

- You can pay in person with cash or check at the Business Office or by mailing a check to the Business Office address listed at the top of your bill.
- You can arrange for automatic deduction from your bank account or credit card through the CASHNet Installment Payment Plan.
- You can pay online with credit card or e-check.

Paying Your Tuition Bill Online
A student can pay online by e-check or credit card or set up an Authorized Payer to pay online.

Authorized Payer
Authorized Payer(s) will be able to:

- View the student’s Tuition and Fees billing in CASHNet.
- Make payments on the student’s account using credit card or e-check.

Both the Authorized Payer and Student will be able to view all payments made to the account by the Authorized Payer.

Setting up an Authorized Payer
Authorized Payer(s) must be signed up by the student through CASHNet via TigerWeb:

- Log in to TigerWeb.
- Select the “Student” tab.
- Select “Account Information”
- Select the link “Pay/View Student Account” and follow the instructions to establish an Authorized Payer.
Once the Authorized Payer is established, he/she will receive an email with information regarding the login, password and web link that will enable him/her to access the account. The initial password given to the Authorized Payer(s) will be provided by the student. Please do not contact the College for the password; only the Student has access to this information.

**Pay online with credit card or e-check through Tiger Web**

E-check payments are free. For payments made with MasterCard, VISA, American Express or Discover, the account holder will be charged a non-refundable 2.75% fee.

To pay online:

- Log in to Tiger Web.
- Select the “Student” tab.
- Select “Account Information.”
- Select the link “Pay/View Student Account.”

**TuitionPay Monthly Payment Plan**

You may choose to pay your semester expenses in full by the aforementioned due dates or make monthly payments through an interest-free CASHNet Installment Payment Plan. This payment plan allows one to spread the annual cost over a period of months. You may access information on the Installment Payment Plan via the Authorized Payer website or by calling (877) 821-0625.

For questions or additional information, please visit [hsc.edu/admissions-and-financial-aid/tuition-and-fees/payment-methods](http://hsc.edu/admissions-and-financial-aid/tuition-and-fees/payment-methods) or contact the Student Accounts Office: mcatron@hsc.edu, (434) 223-6223.
Step 7. Course Schedule and Textbooks

Reviewing your Fall Semester Schedule

You will be able to view your first semester course schedule in Tiger Web starting June 27, 2019.

To view your schedule:

- Log in to Tiger Web.
- Go to the “Student” tab.
- Select “My Course information” from the left-side list.
- “My Class Schedule” will appear on this page. This will include course title, number, and section.

You will have an opportunity to discuss and make changes to your first semester schedule in consultation with an academic advisor at two points: once during Summer Orientation and again during Fall Orientation. In between these times, questions regarding your schedule can be addressed by contacting your academic advisor or by contacting Ms. Lisa Burns, lburns@hsc.edu, (434) 223-6188.

Ordering Textbooks

Once your course schedule has been developed and finalized, you can begin to order textbooks.

Before you begin, have in hand your class schedule, including course title, number, and section.

A link to the textbook ordering page is available in the “For Deposited Students” section under the “Student” tab in Tiger Web.

- The first time you use this site, you will need to create a login. You will be able to create an associated shipping address. If you would like your books to be shipped to you at H-SC, see “Shipping Address” on the facing page of this booklet under “About Textbook Orders.”
- Once you are logged in, select your courses (using course number and section) to view the textbook options for the course.
- If you choose to order through the Textbook Portal, add your selections to the cart and check out.
About Textbook Orders

You can also access the textbook ordering form through the Campus Store: www.hscampusstore.com

A list of your required textbooks will be generated in the Textbook Portal. Each text will have a specific ISBN number. If you decide not to use the Textbook Portal on the H-SC site to order your textbooks, be sure to use this ISBN number as it is specific to the text edition and package material required for your course. Some courses may have an online homework component, so be attentive to all listed requirements of the course. Students have the option of purchasing new or used books, or renting textbooks. Please know that your WCUL 101 text is also used for WCUL 102. This may be more expensive to rent twice.

Shipping Address: Have your texts shipped using FedEx or UPS to: (Your Name), Brown Student Center, Suite (Your HSC mailbox number), Hampden-Sydney, VA 23943.

If you are simply receiving mail or packages through the USPS, your mailing address is: (Your Name), Box ________, Hampden-Sydney, VA 23943.

If you do not know your campus mailbox number, you can access it via the online Student Directory. The link to the Directories can be found at urls.hsc.edu/resources.

Textbook ordering opens about a month before the semester begins. It is best to order early to ensure books arrive before the first day of class. While textbook orders normally arrive in 3-4 business days, it is recommended that you place your order at least 2 weeks before the first day of class.

Pay attention to the shipping distance of your selected book(s). Do not purchase texts from overseas as they tend to take an excessively long time to arrive, or may be missing some essential pages or images.
Step 8. Health Forms

Student Health Forms

Health forms are located in Tiger Web under the “For deposited students” section of the “Student” tab. These forms should be completed no later than August 1, 2019.

For questions about student health, please contact the Student Health Center, (434) 223-6167.

These courses should be completed no later than August 1, 2019.
