## **Information for MATH/COMS minors:**

- MATH/COMS minors should plan several semesters ahead to ensure their ability to enroll in coursework ideal to their skills and interests. Students should consult with departmental faculty.
- Planning and executing study abroad experiences require faculty consultation before and after such study.
- Minors are encouraged to participate in Math/COMS Club, Problem of the Month, the Math Colloquium Series, the Energy Research Group, and annual contests. See your MATH/COMS faculty for details.
- Interested in working as a tutor for MATH or COMS to keep your skills sharp—See Dr. Pendergrass (Blake B, 003) for more information.

**UNOFFICIAL FORM— OFFICE OF ACADEMIC SUCCESS.**

Successful completion of the above items does not alone guarantee that graduation requirements have been met. Please see advisor.
