Citizen-Leader Scholarships

$5,000 Scholarship
For freshman candidates entering in 2012
Any accepted applicant who meets these criteria and attends Hampden-Sydney College will receive one of these awards.

EAGLE SCOUT
Developing responsible citizenship, character, and self-reliance, Hampden-Sydney College embraces the values also shared by Scouting. Every year at H-SC, approximately 35 freshmen, 10% of the entering class, have attained the rank of Eagle Scout—among the highest percentages at any college or university in the country.

BOYS STATE PARTICIPANT
Hampden-Sydney’s founding mission “to form good men and good citizens” is in practice today to enrich the personal and civic lives of our students. The College has had great success in preparing young men for leadership positions with professional, civic, fraternal, religious, and political institutions and associations.

PRESIDENT OF STUDENT GOVERNMENT
For over 235 years Hampden-Sydney College has attracted men with the desire and talent to develop their leadership skills. They know that graduates of Hampden-Sydney have both the preparation and the conviction to serve in leadership positions in our state, nation, and world.

You may receive only one Citizen-Leader Scholarship of $5,000. Additional funding beyond that scholarship is possible through our academic scholarships and need-based programs, as determined by the FAFSA.
