

## 2024 May Term in the SC Lowcountry and GA Sea Islands Charleston, SC to Cumberland Island National Seashore, GA

### PROGRAM AND LOCATION

Students enrolled in Visual Arts 200 (Core Credit) and Rhetoric and Culture (EL-OFF and Rhetoric Minor Credit) travel along the National Park Service's Gullah Geechee Cultural Heritage Corridor, studying the region's cultural expressions, natural & built environments, histories, and economies. Students tour historic/cultural sites and explore the natural environs by hiking in maritime forests, sea kayaking in creeks and rice paddies, and traveling by ferry to Sapelo and Cumberland Islands. Interviews with local community members also contribute to students' understanding of the region's unique features and significance. We explore three intersecting themes (Power, Romance, and Isolation) to frame our study, illustrating that the region's identity is not static; rather it is continually in flux depending upon context and audience.

### APPLICATIONS & DEPOSITS

DEC 1 -- Program application opens: [hsc.edu/hscprograms](https://hsc.edu/hscprograms)

JAN 17 -- H-SC Global Ed Funding Apps due

FEB 1 -- Program application and \$500 deposit due

**Note well: a completed application form and payment of a \$500 deposit constitute an agreement by the student to participate fully in the program and an obligation to pay all program fees.**

H-SC requires a 2.0 or higher GPA.

**Students from other schools will need to make sure they have completed their home school's application process by February 1; H-SC will require proof of home school approval as part of the program's application.**
