

Modern Languages – Majors 2021-2022

DEPARTMENT CHAIR: Dr. Julia E. Palmer, Blake A 102, (434) 223-6213

Please note that departmental contact is strongly recommended to further aid your academic planning. Irregularities in offerings do occur as a result of sabbaticals and medical leaves.

MoLa majors are required to complete 30 credit hours in the language; 6 hours of which must be completed at an approved host institution in a foreign country in which the target language is spoken and which includes a home-stay—plan accordingly! The Office of Global Education can help and is conveniently located in Blake A 100. **Students who enter at the 300-level may NOT take the 202-level course.**

Important information for MoLa students:

- A major in a foreign language is a value added to your chosen career path. To major in a foreign language you should start classes your freshman year.
- When choosing a course, select courses that will **enhance your language skills** first! Be sure to read carefully the pre-requisites and the skill levels required. Course numbering does not reflect the difficulty of course content.
- Do not take a 400-level course in your first year of the major, unless advised by your instructor, advisor, or Department chair.
- Majors are encouraged to strike a balance among courses on language, culture, and literature.
- Majors should consider joining the Phi Sigma Iota, the national foreign language honor society, language clubs, and participating in the conversation table for advanced students.

UNOFFICIAL FORM– OFFICE OF ACADEMIC SUCCESS.

Successful completion of the above items does not alone guarantee that graduation requirements have been met. Please see advisor.
